A thorough background investigation is required to properly evaluate the suitability of applicants for employment with the agency. Although it is an achievement to reach the background phase of the hiring process, this is still a competitive process and does not, in any way, guaranty selection.

These instructions are provided as a guide to assist you in properly completing your Personal History Statement. It is essential that the information is accurate in all respects so please read all instructions carefully before proceeding. The Personal History Statement will be used as a basis for a background investigation that will determine your eligibility for becoming an employee.

- 2. If a question is not applicable to you, enter N/A in the space provided.

Instructions to the Applicant

Before you begin to fill out this personal history statement, please ensure that you meet the following requirements. You must meet all five of these requirements to qualify for licensure as a peace officer, jailer, or telecommunicator in Texas. I am a citizen of the United States of America. I have earned a high school diploma, a GED, or an honorable discharge from the armed services of the United States after at least two (2) years of active service. I have never been convicted, plead guilty (nolo contendere), nor have I been on court-ordered community service/probation, or deferred adjudication for a Class A misdemeanor or a felony. During the last ten (10) years, I have not been convicted, plead guilty (nolo contendere), been on community service/probation, or deferred adjudication for a Class B misdemeanor in this state, other state, or while serving in the military. I have never had a military court martial that resulted in a dishonorable or other discharge based on misconduct which bars future military service. DISQUALIFICATIONS There are very few automatic bases for rejection. Even issues of prior misconduct, employee terminations, and arrests are usually not, in and of themselves, automatically disqualifying. However, deliberate misstatements or omissions can and often will result in your application being rejected, regardless of the nature or reason for the misstatements/omissions. In fact, the number one reason individuals "fail" background investigations is because they deliberately withhold or misrepresent job-relevant information from their prospective employer. This personal history statement is a governmental document. Be truthful, as there are criminal consequences for lying on a governmental document.

Once you begin:

- Type or neatly print, in ink, responses to all items and questions. If a question does not apply to you, write "N/A" (not applicable) in the space provided for your response. If you cannot obtain or remember certain information, indicate so in your response.
- If you need additional space for your answers, attach additional sheets as needed. Be sure to indicate which section, question number, and page this refers to.
- Be as complete, honest, and specific as possible in your responses.

Disclosure of Medically Related Information

In accordance with the U.S. Americans with Disabilities Act, at this stage of the hiring process, applicants are not expected or required to reveal any medical or other disability-related information about themselves in response to questions on this form, or to any other inquiry made prior to receiving a conditional offer of employment.
